

# LANDSLOWNE SCHOOL NEWSLETTER

# Welcome back

Welcome back everyone!

I hope you had a relaxing and restful summer break. We are delighted to see all our students and we're ready for another exciting year. Our new Year 7 students are settling well and of course all our other students have moved up a year and are looking forward to their new programmes of study. Our college link courses for the sixth form and Year 11 begin on September 9<sup>th</sup> and our after school clubs will start the week beginning 16<sup>th</sup> September.

Mrs Adams

## New building

We are delighted to open an additional room for our students. This is a nurture room to support students who need an additional calm space during the day.

The teachers at Lansdowne would like to congratulate those students in years 11, 12 and 13 who have all performed fantastically in this summer's exam season. Their hard work has paid off and they have all done their best. We are very proud of them and wish continued success in their next steps. Results slips are available for collection at reception and the certificates will be sent out when they arrive.

R McNie exams officer.

# New Year 7 students

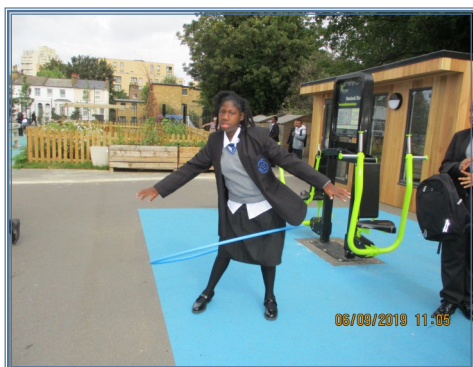

Lansdowne welcomes the fresh faced and bright eyed year sevens rearing to go. On Wednesday the 4Th of September Lansdowne was graced with a brand new cohort who have settled in tremendously

amongst their new peers. Students have followed a brand new timetable, learned the schools FRESH rules and met all their new teachers. Students have attended lessons daily for 'Guided Reading' and have

been introduced to all of their subjects for 2019 which includes: PSHE, PE, ICT, English, Maths, Humanities, Science, Textiles, Music and Drama. We look forward to welcoming our new students into after school clubs and

daily activities from next week.  
Bridget McDonnell
