

LANDSLOWNE SCHOOL NEWSLETTER

Another great week at Lansdowne School!

Year 7 students joined the choir for the first time and really enjoyed the session.

All of our students have settled back well and it is great to see them all working hard.

CHOIR

The Lansdowne School Choir practices every Thursday morning and performs every school assembly on Friday mornings. Lead by Mr. Gratton and Mikita, they sing and use Makaton signs to perform all kinds of music ranging from pop songs to musical theatre to classic rock. Selected members of the choir even get to perform in out-of-school concerts, such as Lambeth Music Festival's "Count Me In" concert. This week the Choir rehearsed 'The Lion Sleeps Tonight' and a new song 'I Want It That Way' by the Backstreet Boys.

what we learned this week

Year 8 Team work activities

Last week in PSE year eights participated in practical activities to develop their co-operation, communication, coordination and de-escalation skills. Students were required to use two towels and work as a team to get across the 'poisonous' lake. It was a fun activity with all students participating with enthusiasm, strategizing and communicating effectively.

SPOTLIGHT

Enterprise Club

Enterprise Club began towards the end of last year and has quickly become a favourite with many students.

The aims of the club include:

- To develop social awareness by considering the needs of others
- To think of products to make and sell to raise money for charity
- To develop creative skills including art and design and textiles
- To develop money handling skills by selling our products at school events

So far we have made key rings, fridge magnets, cuddly toys, stained glass windows and greetings cards amongst other things!

The money raised has been greatly received by different charities including the Brixton Soup Kitchen. We look forward to making and selling more exciting products this year and raising as much money as possible.
