

LANSDOWNE SCHOOL NEWSLETTER

This week we were delighted to welcome Roots and Shoots to Lansdowne. They have helped us to develop our vegetable plot with the students. On Tuesday they harvested potatoes and pumpkins and took some produce back to their base, in Walnut Tree Walk, to make salads. In other news, it was great to welcome parents and carers to our Bake Sale on Thursday. We raised £140 for Cancer Research. School Council suggested this and it is a good example of how the students contribute to our goal of supporting worthy causes.

what we learned this week

Maths

This week in Maths lessons we have worked on practical activities involving fractions. We have worked in mixed ability groups on diving objects and showing fractions with small denominators. We have created different collages involving fractions and have had lots of fun.
