This week we had a special assembly delivered by staff at Kew Gardens. The assembly was for students in KS3 and their parents and carers. Kew told us about the attractions at this world famous site and how to get there using public transport. Thanks to all the families that came and received their free vouchers. Also this week the Year 7 students explored their local area as part of the English curriculum – Brixton, our local area. They had the opportunity to visit the vibrant market and note landmarks such as the Department Store and the Ritzy Cinema.
