

# LANSDOWNE SCHOOL NEWSLETTER

Another busy week at Lansdowne school is drawing to a close. This Friday we have a Bake Sale to raise money for the Brixton Soup Kitchen. Students have been working hard in Food Technology to prepare a range of foods from around the world. Our parents and carers have supported our previous bake sales in great numbers and we hope to see many of you there tomorrow. As you know they are really important to our young people as they take pride in the food they have cooked and also look forward to communicating with our school community and using money in practical situations.

Have a great half term everyone!

Mr Jukes

## Bake Sale

Friday 14th February

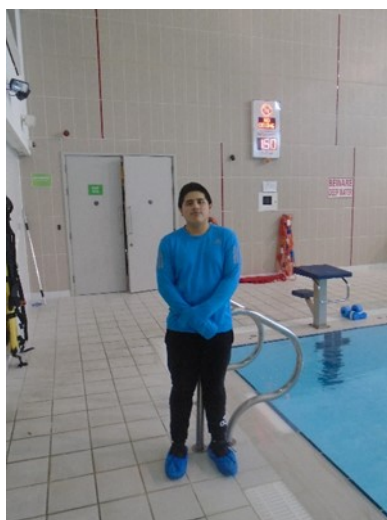

Don't forget we have one of our famous Lansdowne Bake Sales this Friday 10-11am. Our theme is "Food around the world" and proceeds go to the Brixton Soup Kitchen.

## Work Experience week 2

Another three of our year 11 & 12 students, Matteo, Mark and Lorden, had a successful work experience week. They worked in sports and IT-related businesses in our local area in order to gain an insight of a work-place and practise their employability skills. Mark said: "MIME is a fantastic place. I am fascinated by what I have learnt and it has been a great experience". To find more about Lansdowne School's Career Programme please visit our "Careers" section on our school's website or follow the link below: [www.lansdowneschool.co.uk/lansdowne-school-careers-programme](http://www.lansdowneschool.co.uk/lansdowne-school-careers-programme).

Mr Anatoliotis

## Swimming

**8A** swimming to be continued until the end of February.

Next class **10HW** starting in March.

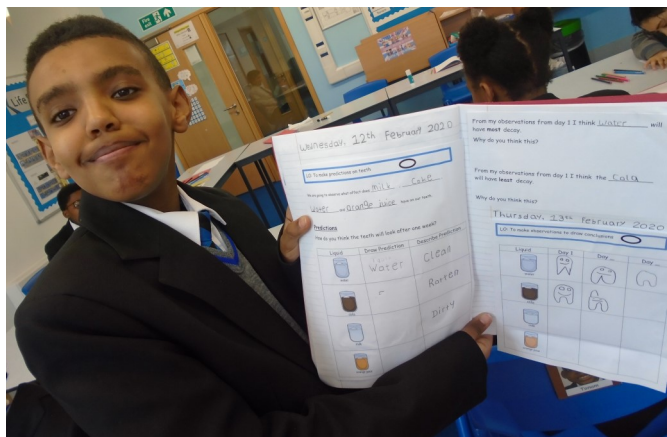

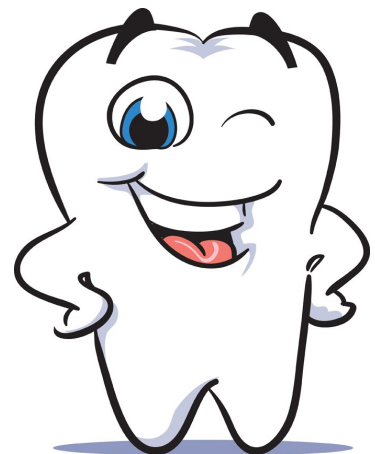

# what we learned this week

## Science

This week in Science Year 7 carried out an investigation into the effect of water, cola, orange juice and milk have on teeth. We discovered that cola caused most damage because it is a sugary acid.

Ms Ravazzolo

## After School Clubs

### Tuesdays

- Football
- Yoga
- ICT
- Engine Shed

### Thursdays

- Art
- Dodge ball
- Rock Band
- Enterprise
- Games
