

LANSDOWNE SCHOOL NEWSLETTER

We welcomed all our students back on Monday and talking to School Council yesterday I was very pleased to hear that our young people are very happy to back to resume their lessons, after school clubs and see their friends. We have some exciting events happening this term including two Year 7 trips, one to Dulwich Picture Gallery to see a play based on Alice in Wonderland and another to see the Van Gogh immersive exhibition. 13IK are also looking forward to their trip to Gravity, where they will be able to enjoy electric go-karts, bowling and Gaming stations. Letters will be going out next week concerning a leaving event for our Year 13's.

Reading Champions

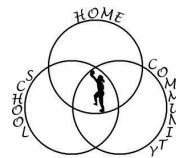

Every Wednesday morning, we have our Reading Champions sessions. This is an opportunity for lower ability readers to improve their skills by reading books to higher ability students. This has the added benefit of building relationships across year groups and is supervised by our Guided Reading lead, Ms Wawrzyniak. I hope you enjoy the photographs .
