

LANSDOWNE SCHOOL NEWSLETTER

At last Friday's assembly we announced the results of our student election for Head Boy and Head Girl. I can announce to the school community that our new Head Boy is Fabio and our new Head Girl is Paris. Their deputies are Thomas in Year 11 and Katie. Before half term all the students wishing to stand for these

positions had to make a video, outlining the reasons why we should vote for them. This was shown in assembly and then the secret ballot box was taken to every classroom so that the students could vote for their preferred candidate.

Class of the Week

12RM

Congratulations!

During the assembly we made the link between this election and other elections where students can use their vote once they are eighteen.

Every candidate will have a role as the students who were not chosen for Head Boy or Girl will become ambassadors and will be able to assist with school events and donating money to the charities we support following activities such as own clothes days.

For Parents — Information from Lambeth

Lambeth are funding a free course for parents called "Mothers for Change". Dates TBC but the course will run in January at the Marcus Lipton Centre and runs once a week for 6 weeks. The course is designed to help mothers and any female guardians including foster carers, grandmothers and aunts understand harms that impact the lives of young people today. This course is very broad and covers important topics and issues such as extremism, loneliness, self-esteem issues, video games, internet safety and hate crime to name a few. To secure your space early – contact maeve@groundswell.world

Year 8 Geography Fieldtrips

As part of our Geography lessons, this term the Year 8 students will use fieldwork to explore Brixton and describe important features of our local area. We will observe key local landmarks, different types of businesses and jobs in the area, and as we grow in confidence, we will explore the local public transport. Everyone is excited to do field trips and link their knowledge of the area with Geography.

Upcoming Parent/Carer Open Afternoons:

Years 7 & 8 on 16th November from 4.00-6.30pm

Years 9, 10 & 11 on 23rd November from 4.00-6.30pm

Years 12 & 13 on 30th November from 4.00-6.30pm

Making Focaccia with KS4 and KS5 Students

Students have been making Focaccia this week. Focaccia is an Italian flat, leavened bread. As an introduction, students learnt about the functional and chemical properties of yeast. After that, they assembled and kneaded their dough. When the dough has

proved, the fun part could begin: decorating. Using vegetables for toppings, each student came up with a uniquely designed Focaccia.
