

LANSDOWNE SCHOOL NEWSLETTER

Happy New Year to everyone! It was great to welcome the students back on Tuesday. The classes have been working well and pleased to be with us again. Every morning on my way to school I see the Winter Window designs at the Department Store in Brixton and it fills me with pride as it was our students that created them. They will be up until the end of January so do take a look if you haven't already.

We are looking forward to the term ahead. After school clubs started this week and we are very excited about working with Fulham Football Club this term.
