

# LANDSDOWNE SCHOOL NEWSLETTER

We would like to welcome everyone back following half term. In the next few weeks there are some exciting developments to look forward to. Our new library furniture will arrive at the end of March and we are looking at resourcing it with new books with the help of our School Council. All the students have completed a survey around the type of books they would like to see in the library and we are looking at the results keenly. School Council have also asked for lockers for the sixth form and for more pegs for coats and bags and they will arrive in the next few weeks. Student voice is very important to us and we always listen to what the council have to say in our weekly meetings. They come up with some excellent ideas and we try to meet their demands as I have outlined above.

## Congratulations!!!

### *Spring is coming!*

This week we have been visited by Roots and Shoots staff. They helped us to prepare our plant beds for spring. The students thoroughly cleared all spent crops, dug over the soil, added fresh compost, and levelled rough ground. They practiced using garden tools like: a barrow, a shovel, a rake, pruning scissors. We are ready to plant new plants!

# Bake Sale

Our recent bake sale was a great success. We raised **£180** for the Brixton Soup Kitchen.

Thanks to all the parents and carers that came. We will be visiting them soon to donate the funds.

## 8A ZOO Trip

As every term, 8A went on a trip to London Zoo. This time the students took part in a workshop 'There is a Lion in my Garden'. They recognised lots of animals living in Asia. Then the students were given a chance to touch the real animal skins and to cuddle a stuffed crocodile.

They all love London Zoo, so they can't wait to go back in Spring!
