

I love to travel...

and jump from hand to hand

HIGH FIVE

to say HI

Have

you

heard

of

me?

YES

NO

How do you feel

when

you

hear

Coronavirus?

Calm

Confused

worried

Curious

ok

Sad

I

understand

you

feel....

I

would

feel

the same

way.

Sometimes

adults

get

worried

when

they

read the

news

or

see

me

on

TV

That's

ME!!!

But

I

am going

to

explain

myself....

So

you can

understand

When

I

come to

Visit,

I

bring...

Difficulties breathing

Fever

Cough

But I don't stay with people for long

and almost everyone gets better

Bye, bye...

Just like when you cut yourself, it gets better.

+

And

you can

help...

1

1. Wash your hands with soap

&

&

water

sing

happy birthday

2x

twice

2

2. Use Hand Sanitizer and

let

it

dry

on

your

hands

... If you do all that I will not come to visit

While Drs work to find a vaccine that will allow me to say hi without making you ill

THE END
