

LANSDOWNE SCHOOL NEWSLETTER

This week years 7,8,9 and 10 have been working well and we are looking forward to welcoming our older students back on Friday. We were delighted that 9KW had the opportunity to visit London Zoo. They really enjoyed seeing the animals and came back saying they had had a really good day.

We realise that many families will be affected by the second Lockdown and the restrictions inherent in that, but it should be a comfort that schools remain open so that the education of young people can continue. Thank you to all the parents who have supported our older children this week with their online learning through the google platform. The partnership between schools and parents and carers is more important than ever in the current situation.

Have a good weekend and all the best from everyone at Lansdowne.

Mr Jukes

what we learned this week

On Thursday in Guided Reading, we practised our cursive handwriting and revised the phonic sounds. Then, we looked at the pictures from our zoo trip and reflected on what we have learnt. We looked at our previous writing, when we planned our zoo trip and discussed the trip. Afterwards, we wrote sentences and paragraphs about our day at London Zoo.

9KW ZOO Trip

Wednesday was a wonderful day because 9KW went on a trip to London Zoo. We were all very excited because we have not been to the zoo for a while. 9KW was very lucky to go on this trip.

We walked around the zoo and saw many different ani-

mals such as penguins, monkeys or pelicans.

We really enjoyed see and learning about nocturnal animals. The weather was bright and sunny so we enjoyed walking in the sunshine and eating our lunch outside. 9KW, as a bubble, was very responsible and washed their hands regularly.
