

LANSDOWNE SCHOOL NEWSLETTER

We welcomed all our students back this week and it has been great to see them. The school is full of young people once again and this is how it should be. As part of their return we had a special assembly where we outlined the main points of the governments road map out of lockdown. We are really hoping that this plan works and we can get back to some kind of normality. The first phase, all children being back in school has taken place and here at Lansdowne we are really glad it has.

Last week we celebrated World Book Day. The students were able to listen to authors and illustrators talking about their new books on the World Book Day site and many of our young people had the chance to read to an adult in Guided Reading. As ever, we had some amazing costumes this year with characters from fairy tales, super heroes and literary figures such as Tom Sawyer and Sherlock Holmes. I hope you enjoy the photographs from the event.

How is it different to being at home?

Leandro 10SF: Now the bikes are at Lansdowne and they were not here before.
