

LANSDOWNE SCHOOL NEWSLETTER

Another busy week at Lansdowne. One of the highlights was being able to welcome the students who will be in our new Year 7 classes for September. They had two taster mornings where they met their new form teachers and enjoyed a variety of lessons including Maths, Food Technology, Art and PE. They took home a booklet all about Lansdowne, so that they can look through it over the summer before they join us properly.

Mr Jukes

Over the last few weeks both year 10 classes have worked hard in their English lessons to organise an event independently. 10LT organised a friendship assembly and 10FS organised a disco. The students from 10FS sent out invitations to staff members and students to invite them to the disco, they also created a video using English speaking devices such as rhetorical questions and alliteration to invite students to the disco.

PARTY INVITATION

Summer party disco Lansdowne hall

In our disco we will have drinks, DJ, Just Dance. Please RSVP by the 7th July if you have got an invitation. At that day you can come to our classroom and leave the reply slip. If you didn't reply that's okay just bring your invitation so you can enter. The disco will take place on Wednesday the 14th July 2021.

Don't worry about dangers because all the dangerous stuff like sports equipment and more things will be put away. So don't worry about getting harmed. We will see you at the disco.

10FS

where we went

On Thursday 8th July, 9KW went to London Zoo. We started our day with a workshop on 'Animal Adaptations', which was lucky as it was raining outside. 9KW learnt about fascinating lives and adaptations of animals they would later see at the zoo. When the workshop ended, we decided to follow one of the 3 routes and we chose the orange route because we wanted to see lions and bugs. Again, we were lucky because we managed to see the lion from a very close distance and we could hear it roar loudly. It was exciting. In the bugs' kingdom, we saw a variety of mini beasts such as millipedes but we found some of them disgusting. Overall, it was a great day out together!

Miss Wawrzyniak

12EM enjoyed a visit to the Horniman Museum this week. We explored the Natural history gallery and then had a picnic lunch in the ground.
