

# LANSDOWNE SCHOOL NEWSLETTER

On Friday of last week we held our election for Head Boy and Head Girl. The candidates made videos outlining why other students should vote for them and these were shown in assembly. We set up a polling station in the library area with polling booths and a secret ballot box. Classes then voted for their chosen candidates. It is also a lesson in how to vote in a democracy, so we feel it is an important life skill. The votes were counted at the end of the day and the result was announced on Monday:

Head Boy – Daniel

Head Girl – Yana

Deputy Head Boy – Yousef

Deputy Head Girl – Tamara

Candidates who were not chosen for these roles will become school ambassadors who will help with events throughout the year. Congratulations to everyone!

# what we learned

Mr Hilton, Feze and David led Lansdowne's first Forest School session this week!

Over the coming weeks 13IK will be spending Wednesday mornings at our Streatham Common site, where they will begin to develop a relationship with nature whilst enjoying a variety of learning experiences, including shelter building, fire making and how to use small hand tools.

This week we learned how to tie a timber hitch knot, and how to put up a tarpaulin shelter - this will be important for keeping us dry when it rains!

We also did a scavenger hunt to familiarise ourselves with our new home, and played a game of Block 1, 2 and 3 - a variation of hide and seek!

We finished the session with a delicious hot chocolate!

Watch this space for updates on our learning!
