

LANSDOWNE SCHOOL NEWSLETTER

This week we had a visit from an author. His name is Chris Allton and he worked with four classes on Tuesday.

He presented workshops to 7DL, 8HL, 9NT and 10EM based on one of his books, Be Kind Kids. Feedback from students and staff was very positive and Chris really enjoyed working with some of our young people.

We would like to do a similar event in the future and include more of our students when we feel that larger groups of two or more classes could have workshops at the same time.

This was not possible at the moment as we are being careful about too much indoor mixing of groups at this time for obvious reasons.

Class of the Week

7BM

Congratulations!

Mr Jukes

Author Chris Allton visits Lansdowne

Horse riding with Lisa

This week at Ebony Horse club, the Lansdowne students helped the staff at Ebony with mucking out (cleaning) the stables, replacing the bedding for the horses and ponies to sleep on and cleaning/tidying the yard.

Once the stables were clean and the yard was tidy, the students took turns with riding their ponies. This week we learnt how to 'Trot' which is when the pony runs at a slow speed.

**Fun Fact* when a horse runs fast it is called a 'Gallop'*

y13 travel training

As part of Year 13's ongoing travel training, Sebastian, Alik and Hafeze planned a trip on the London Underground with 13AM.

Before their trip they planned their journey on the 'Tube', practised transport and road safety and how to stay safe in the community and use money.

They travelled from Stockwell to Wandsworth Road on the Northern line, to Sainsbury's in Nine Elms. Each student practised using their Oyster card to travel and used the maps in the station to look where they were travelling to.

Once at Sainsbury's each student had a shopping list, with items they needed to find, and pay for at the till.

Once back at school 13AM used the food they had bought at Sainsbury's to make healthy snacks.

School Clubs

All after school and lunch time clubs are still on hold for now—to ensure we all stay safe and well. Clubs will start again as soon as possible!
