

LANDSDOWNE SCHOOL NEWSLETTER

It is wonderful to have after school clubs back. I thought I would share some photographs of some of the clubs in action. On Tuesdays we have Football, ICT, Wii Dance, Anime and Trains and Sensory Play. On Thursdays we have Art, Dodgeball, Bikes, Drama and Yoga and Movement. The students have waited a long time for the clubs to be back in operation and as you will see, they are really enjoying them.

This week 9NT are looking forward to a special event on Friday. It is the launch of the mural they have created based on the history of entertainment in the Brixton area. More on that next week!

Class of the Week

Congratulations!

Art Club Tea Party

We have been so excited to have Art Club back on! In Art Club, our theme has been Alice in Wonderland. The club has been making items for a Mad Hatter's tea party – including teacups, place mats, hats, bowties and decorations. And this week we finally put them all together to make our tea party.

Everyone dressed up as the Mad Hatter, ate cakes and drank juice! We then celebrated with some music and by drawing pictures. It was a great way to finish our Alice in Wonderland topic. And we now can't wait to start our new topic – Egyptian art!

Wii Dance

Anime

Red Nose day 2022

Today we are celebrating Red Nose day—we are raising money by wearing red for our own clothes day.

All of the money raised will be donated to the Brixton Soup Kitchen, which is a much loved & used community hub.

BSK offers hot meals, a food & clothes bank, legal services, job seeking services & they offer support to families in need in Brixton and across the borough. We cannot think of a better cause to donate to!

For more info see: www.brixtonsoupkitchen.com
