

# LANDSDOWNE SCHOOL NEWSLETTER

This week we took students for a rehearsal for the opening of our Enterprise Café on the Peabody Estate in West Dulwich. We are going to run the café once a month and soon will be inviting parents to join us for coffee/tea and savoury and sweet treats. As

part of the rehearsal, students learnt how to use the coffee machine, how to lay tables, use the cash register and we role played meeting and greeting customers. This an exciting new venture for the school and we are indebted to our Parents' Group for helping us find premises to run our café. It means

our young people can engage with our local community, gain valuable work experience skills, provide a service and learn what it takes to run a business as they prepare for adulthood.

Mr Jukes

## Class of the Week

Congratulations!

**7AM**

## Life Skills Trip to Kennington Park

On Friday, 10VG and 10TN used the underground to travel to Kennington Park as part of their Life Skills scheme of work.

The students were able to practice using Oyster cards to access the tube stations and utilise their travel training knowledge by crossing busy roads. At Kennington Park, the students enjoyed visiting the Café, the playground, the flower garden and the Bee Urban enterprise. All students were very well behaved and had a great time.

Ms Gearside

## Careers in Emergency Services

We had a visit from the police this week. They brought horses and explained how they are used. Students also had the chance to try on uniforms and they looked amazing in them. The police are coming back on the 23rd

February to offer more activities and we hope to have a fire engine too!

Mr Juckes

## Forest School Bird Feeders

At forest school this week we have been making bird feeders out of apples, sunflower seeds, sticks and string. The sticks are for the birds to perch on as they eat the seeds - and although the birds haven't been too keen on the apples themselves, they have devoured the seeds as you can see from our 'after' photo!

We have also discovered some more magical fungi on some of the trees in the woods...

Mr Hilton

### After School Clubs

3.30-4.15pm

#### Tuesdays

Football  
ICT  
Drama  
Anime

#### Thursdays

Art  
Bikes  
Table Tennis  
Dodgeball  
Yoga & Movement
