

# LANSDOWNE SCHOOL NEWSLETTER

This week, our Dramatic Maths workshops have begun and will run on Tuesdays for the next few weeks. We also have images from last week's Coronation Lunch, a special event laid on by our catering staff. There is also a recipe from Food Technology, which I recommend trying at home.

## Half Moon Theatre Trip

Tuesday was a special day as we had some visitors from the Half Moon Theatre. The visitors came to deliver the first out of six workshops, which would focus on the numbers and calculations. We learnt about odd and even numbers and that the numbers can be written as words or shown as pictures. Many students showed great confidence when ordering numbers and did a lot of accurate counting. Working in groups and playing drama number games was a lot of fun!

Please come and join us at **The Enterprise Café** on Wednesday 17th May from 11-2pm at Rosendale Road Community Hall, 147 Peabody Cottages Peabody Estate, Rosendale Road, London SE24 9DR.

Everyone is welcome!

## Spring Rolls

This week the Year 8s have experimented with seasonal ingredients. We have learnt that when ingredients are in season they are cheaper, tastier and fresher! In spring in the UK some of the seasonal vegetables are: artichokes, asparagus, scallions, spinach and of course spring onion!

We have used seasonal ingredients to make healthy spring rolls: make sure you buy some fresh seasonal ingredients in your shopping, so you can try to make them at home.

Stay happy and healthy!
