

# LANDSDOWNE SCHOOL NEWSLETTER

This week we feature two Globe Theatre trips that took place in the week before half term. Both groups were working on Shakespeare units and were excited to see the rebuilt Globe Theatre. Shakespeare and his partners built the original theatre which burned down on 29th June, 1613, during a performance of the play, Henry V111. Cannons were fired as part of the performance and material caught fire which in turn set fire to the thatched roof.

We also have images from our ongoing Dramatic Maths workshops and from our Duke of Edinburgh students who made pancakes outside and helped to set up our new event shelter.

## Class of the Week

Congratulations!

# 9HL

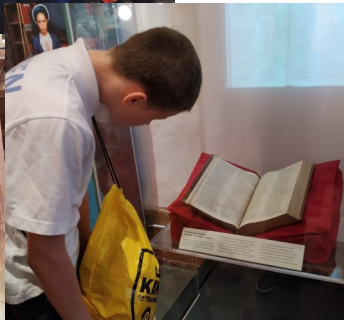

Mr Juckes

## Globe Theatre Trip

Year 9 students had a Guided Tour of the Globe Theatre and visited its Shakespeare Exhibition after studying Shakespeare's writings in English lessons. Students learned about the Globe Theatre, used props, and saw Shakespearean books. They then enjoyed an ice cream, walked along the Thames, and had lunch in the park.

### Dramatic Maths Workshops 4

The Maths workshops on Tuesday were focusing on times tables, and particularly, the multiples of 2, 5 and 10. The students took part in an obstacle course, which involved counting in different multiples and getting through a series of obstacles successfully. On completion of different times tables activities, the students were invited to the multiplication mansion party! They received colourful, glowing in the dark bracelets and had a little dance. Well done everyone!

Miss K Wawrzyniak

### Duke of Edinburgh Group — Event Shelter & Outdoor Baking

The Lansdowne DofE group learnt how to set up our new Event Shelter, which will be used either to provide shade on sunny days or to keep us dry during rainy days.

Students learnt how to use the outdoor camping gas stoves. They had to set up the cookers by inserting the gas bottles safely. Students then used the gas stove to make pancakes.

Mr Lee

### After School Clubs

3.30-4.15pm

#### Tuesdays

Football  
ICT  
Drama  
Anime

#### Thursdays

Art  
Bikes  
Table Tennis  
Dodgeball  
Yoga & Movement

**Working Together**

**To Achieve**

## Roots and Shoots: Makes a Splash! Open Day

Roots and Shoots Makes a Splash! Open Day on Saturday 10th June 2023 brings the delights of aquatic life from around the world into the heart of Lambeth. Always a hugely popular community event, this year's summer festival celebrating nature may be our most ambitious yet, with something to delight all ages.

There's pond dipping in the Wild Garden, a planted aquarium gallery, aquarium-building demonstrations, floristry and art workshops, children's storytelling, face painting, and a magical mechanical dragon. Stalls are selling arts, crafts, accessories, jewellery, ceramics and plants, as well as homemade cakes, delicious vegan food and candy floss.

Fascinating talks in the Main Hall include The Wonder of Frogs from Kim Le Breuilly of the British Herpetological Society, Project Coral from the Aquarists at The Horniman Aquarium, an aquarium setup demonstration from famed aquascaping youtuber George Farmer, and a naturalistic aquarium biotope setup demonstration from ZSL-trained Tai Streitman.

Says Roots and Shoots director and founder Linda Phillips MBE, "We're so pleased to invite the community back to Roots and Shoots once again! Our frog days have always been one of our most popular events, so we're delighted to bring them back bigger than ever, and highlight the enchanting lives of aquatic life."

### Dates / Times

Saturday, June 10th  
11am - 4pm

### Location

Roots and Shoots  
Walnut Tree Walk  
Kennington, SE11 6DN

### Price

£2 for adults, £1 children.  
(Cash or card on the gate)
