

# LANSDOWNE SCHOOL NEWSLETTER 13TF TAKEOVER EDITION

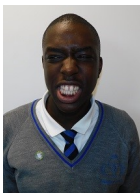

Welcome to Year 13s takeover of the Newsletter. This is our last week of school. It's been a very long journey and I thought the year would be more difficult than it has been. For months, all of us have had to do revision for all of our exams and all of us have worked very hard to make the deadline and get good results. A big thank you to the people who have supported us throughout all of the years, those who are here and those who are no longer with us. Goodbye Lansdowne.
