

LANDSDOWNE SCHOOL NEWSLETTER

It has been really good to welcome our students and staff back after half term. On the last day of term we had our elections for Head Boy and Head Girl and I am delighted that they are both able to contribute to this week's newsletter. We also feature KS4/5 Food Technology, a trip to Chessington World of Adventures and our Artist of the Month.

Our Head Girl

When Mr Juckes made the announcement that I am the Head Girl of the school. I could not believe it. I was shocked! Then I was really excited that most of the students voted for me! I hope I will make many changes in the school. First of all I would like to see all the students treating each other kindly and with respect. Also I

would like people to be more responsible during break time. I want to be a good example for everyone and especially the Year 7s that are new in the school. Finally, I would like to organise more events and school trips so all the students will be happy and excited. I hope I will be good in my role as a Head Girl and make everyone proud. —Amy

Our Head Boy

I am very excited and happy to be Head Boy of Lansdowne. I feel very proud that the students voted for me. I felt shocked, it was very unexpected. I am looking forward to helping out everyone in the school from Year 7 to Year 13. I want to help make the school a better place. I want everyone to feel happy and welcome and excited to come to school everyday. I love to make sure everyone is feeling good and ready to learn. I want everyone to be able to concentrate on their work. I want to help everyone to learn the FRESH rules and the Zones of Regulation. In my speech I said I want to improve the school in any way I can. I am excited about the year ahead. Thank you. —Ahsan

Artist of the Month

The techniques that I used for the artwork are drawing, watercolour, painting. The names of the characters are Sonic, Raven, Tails, Mario and Classic Sonic. Sonic, Tails and Classic Sonic are from Sonic The Hedgehog, Raven is from Teen Titans Go and Mario is from Super Mario. I enjoyed making this artwork because I like drawing the characters, it made me feel joyful and elated. I can describe my artwork as vibrant, positive and cheerful. What do you think? :) —Chris

Chessington World of Adventures Life Skills Trip

As part of the Life Skills curriculum the year class 10HL have gone to Chessington World of Adventures and experienced how to cross the road and how to use the tube system safely as well as how to be safe in a foreign place.

Once in Chessington the students experienced different roller-coasters and rides and saw different animals in the Zoo and Sea-Life experience.

Sebastian

Halloween Monster Burger

The task in KS4/5 Food Technology lessons this week was to prepare a Halloween Monster Burger. Students learnt about the background of the Halloween tradition, and recited activities done as part of this celebration. They also learnt about safety rules when cooking meat, and used a temperature probe to test their burgers patties for readiness. When all ingredients were prepared, students assembled their burger, decorating it in a festive manner.
