

## LANSDOWNE SCHOOL NEWSLETTER

This week we include the trip to the Brixton Soup Kitchen. Our Head Girl and Deputy Head Boy went there to donate £130, which we raised through "Own Clothes Day" and our Winter Fair. Amy and Alfie were very proud to represent the school and give money to such a worthy cause. Solomon Smith and his team at the Brixton Soup Kitchen help disadvantaged people in our community by providing food and clothing and linking them with essential services. Thank you to the Lansdowne community for helping us to raise this money.

We also feature a Science lesson, where students were working on extracting DNA and 13CR's travel training trip to the venue for our Enterprise Café. We will shortly send letters out about our next
Enterprise Café event on 20th March 2024.
-Mr Juckes

World Book Day will be celebrated on Thursday, 7th March. Students are encouraged to come dressed as a favourite character from a story.

## Using Public Transport

This week the class 13CR students travelled to the Enterprise Café venue where they worked last term using public transportation. The pupils were ecstatic as they witnessed first-hand how simple it is to take the transportation from the school to the work experience site. We were done in about thirty minutes!

## Kiwi DNA

Last week, the Year 9 students were extracting DNA from a kiwi fruit as part of their 'Inheritance' topic! They were able to dissect the kiwi, and use three simple ingredients to extract the DNA. The students showed great practical skills in the lab, and were successful in finding the DNA. Well done!
