

LANDSDOWNE SCHOOL NEWSLETTER

We celebrated World Book Day on Thursday. It is always an exciting event at school and I hope you enjoy the images. As part of the day, students had the opportunity to write about their favourite figures from stories or to review a book they have read. It was wonderful to see a range of

characters represented such as the cast of the Wizard of Oz, Superheroes, The BFG, Harry Potter, pirates and many more. Well done everyone (and especially parents for supporting this event). This week we also feature the latest update from Forest School and our Artist of the Month.

Forest School Brownies

Last week at Forest School we made chocolate brownies on the campfire! First we melted some butter over the fire. Then we added our dry ingredients: flour, cocoa, sugar and a pinch of salt. Next, we added our eggs one at a time - mixing vigorously in between

each until the mixture was smooth and silky. We then poured our mixture into our Dutch oven, and cooked it over a low heat. We also added some hot coals to the top of the Dutch oven so that the brownie mix cooked thoroughly all the way through. After about 30 minutes we removed the pot from the campfire and allowed it to cool for a few minutes. Finally we cut the brownie into slices and enjoyed eating them together! What a treat!

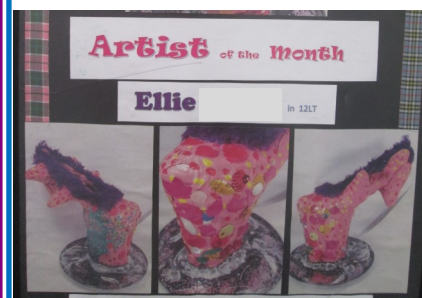

— Mr Hilton

Artist of the Month

I created a shoe sculpture inspired by the work of the artist Costa Magarakis. I used a real old shoe donated by the school staff, and changed it using mixed media like tissue, paint, egg box, furry fabric and glitter. This is called upcycling because I transformed something old into something new. My shoe sculpture is happy, engaging and joyful.

—Ellie (Year 12)
